TRAVEL NEVADA

We give you a list of places you should visit if you come to our beautiful state.

1. Las Vegas Strip
2. Hoover Dam
3. Lake Tahoe
4. Lamoille Canyon
5. Valley of fire
6. Great Basin National Park
7. 7 Magic Mountains
8. Nelson's Landing

These are a few of the most amazing places here in Nevada.

GIVING BACK Let's help veterans in our community who are unemployed or homeless and at risk, to live independently by helping them become self-sufficient. In other words: to provide a hand up and not a hand out. Only 8% of our general population can claim veteran status but nearly 1/5 of the homeless are veterans.

RECIPE OF THE MONTH

How to make Linguine pasta

1. Bring a large pot of water to boil and cook the linguine until al dente
2. Save more of the cooking liquid and drain.
3. Place the pasta back into the pot and toss with butter, cream, garlic, salt and pepper. As the butter and cheese start to melt, it'll create a sauce. Add in cooking liquid to thin out the sauce as needed.
4. Taste, adjust seasonings and serve!
